

CANDLEWICK'S FALL BRAIN TEASERS

CANDLEWICK

I need to light these magic candles in just the right order to cast my harvest spell. If I get it wrong, the spell might fizzle out and my crops will suffer! Think you can make sense of my spellbook, honey?

Candlewick's Spellbook

- A. The maple candle must be lit right before the pumpkin candle.
- B. The first candle has a scent that starts with the letter "A."
- C. The candle that goes last smells like a Jack-o'-lantern.
- D. The candle that has a different number of syllables than the other candles must be lit right before the apple candle.

Sometimes a little mystery is just what a quiet day needs. I've conjured a few riddles for you to ponder. They may seem a bit silly, but I promise they have some magic in them! Can you uncover the answers?

Candlewick's Riddles

1 I have two sharp blades that move side to side.
I open and close with handles that you guide.
I cut through paper thin or wide.
What am I?

2 I'm juicy and red, can't you see?
Someone picked me right off the tree.
If you take a bite of me, I promise you'll feel glee!
What am I?

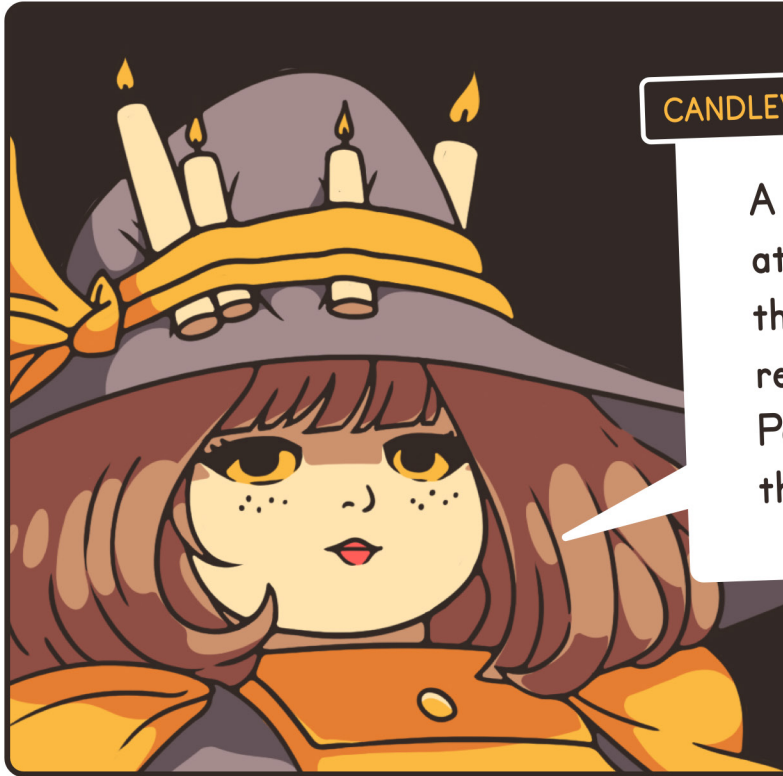

3 I make your teeth sparkle and shine.
I ensure your smile is looking fine!
Use me twice a day or after you dine.
What am I?
